

Recycling Song

{tune: Row, Row, Row Your Boat}

Save, save, save the cans,
throw them in the bin.
We can help to save the Earth
if we all pitch in.

Save, save, save the paper,
throw them in the bin.
We can help to save the Earth
if we all pitch in.

Save, save, save the bottles,
throw them in the bin.
We can help to save the Earth
if we all pitch in.

Save, save, save the plastics,
throw them in the bin.
We can help to save the Earth
if we all pitch in.

Recycle

{tune: Twinkle, Twinkle}

We recycle what we use.

Separate things
and you should too!

Glass and paper,
plastic, tin,

Go in your recycling bin!

We must start now,
we can't wait.

Quick,
or it will be too late!

Earth Day Song

{tune: Twinkle, Twinkle}

Earth Day, Earth Day,
Comes once a year.
But we should make our
message clear.

Love and clean our Earth
each day.

Make that plan a plan to
stay.

Earth Day, Earth Day,
Comes once a year,
Love and care for our
Earth so dear.

Beautiful World

{tune: Mary Had a Little Lamb}

Plant a seed and you will see,
you will see, you will see.

Plant a seed and you will see,
what a beautiful world it can be.

Help us to recycle things,
recycle things, recycle things.

Help us to recycle things,
what a beautiful world it brings.

Put your trash where it belongs
where it belongs, where it belongs.

Put your trash where it belongs,
and the world will stay
beautiful for long.

This Land

{tune: This Land is Your Land}

This land is your land.
This land is my land.
Let's work together,
to make it better.
From tall green forests
to clear blue waters.
This land depends on
you and me!

We Recycle

{tune: Frere Jacques}

We recycle,
We recycle.
Yes, we do!
Yes, we do!

Caring for our planet.
Caring for our planet.
You should too!
You should too!

Litter is Garbage

{tune: The Wheels on the Bus}

Litter is garbage
that wasn't put away,
wasn't put away,
wasn't put away.

Litter is garbage that wasn't
put away,
in the garbage can.

I put my garbage in the
garbage can, the garbage can,
the garbage can.

I put my garbage in the
garbage can,
because I'm not a litterbug!

Recycling in My Home

{tune: The Wheels on the Bus}

Recycling in my home goes
round and round, round and round,
round and round.

Recycling in my home goes round and round.
All through the day.

Collect the papers and put them in,
put them in, put them in.

Collect the papers and put them in.
All through the day.

Crush the cans and put them in,
put them in, put them in.

Crush the cans and put them in.
All through the day.

Rinse the milk bottles and put them in,
put them in, put them in.

Collect the papers and put them in.
All through the day.

Save the glass and put it in,
put it in, put it in.

Save the glass and put it in.
All through the day.

Working on the Trash

{tune: I've Been Working on the Railroad}

We've been working on RECYCLING
all the trash we can.

We've been working on recycling,
it's a very simple plan.

Separate your glass and paper,
separate your plastic and tin.
Take the trash that you've recycled,
to your recycling bin!

We've been working on REDUCING
all the trash we can.

We've been working on reducing,
it's a very simple plan.

Don't go wasting any products,
use just exactly what you need.
Don't buy things in extra wrapping,
reduce and you'll succeed!

We've been working on REUSING
all the trash we can.

We've been working on reusing,
it's a very simple plan.

If it's a paper bag you're using,
don't use it once, use it twice!
Give old clothes and toys to someone,
to reuse them would be nice!

Care About Our Air

{tune: The Wheels on the Bus}

Dirty air can make us sick,
Make us sick, make us sick.
Dirty air can make us sick,
Here's what you can do.

Walk, bike, skate it's good for you,
Good for you, good for you.
Walk, bike, skate it's good for you,
And great for the air we breathe.

The people on a bus are helping our air,
Helping our air, helping our air.
The people on the bus are helping our air,
By not driving their cars.

Car pool, car pool, it's cool to do,
Cool to do, cool to do.
Car pool, car pool, it's cool to do,
And thanks for helping too!

Love Our World

{tune: If You're Happy and You Know It}

If you love our world, clap your hands (clap, clap)

If you love our world,

really love our great big world

If you love our world, clap your hands! (clap, clap)

If you love our world, plant new trees (new trees!)

If you love our world, plant new trees (new trees!)

If you love our world,

plant new trees for birds and bees

If you love our world, plant new trees! (new trees!)

If you love our world, recycle (recycle!)

If you love our world, recycle (recycle!)

If you love our world, then recycle and reuse

If you love our world, recycle! (recycle!)

If you love our world, do your part (do your part!)

If you love our world, do your part (do your part!)

If you love our world,

really love our great big world

If you love our world, BE SMART! (be smart!!)
